Parking in Streets

With winter still upon us, it is critical during the snowy days to please keep the streets cleared. There have been several accidents in the neighborhood, especially on the hills, with cars parked in the street. Please keep the cars in the driveways and out of harm's way. This also goes for boat trailers and any other vehicle that could be out in the street. Also

keeping the sidewalks clear for foot traffic/dog walkers is necessary and a state law.

Safety Concerns

In order to deter car-related thefts please keep all valuables out of your cars. Even those parked in your garage. Lock doors into the garage as well as into your home from the garage. This is especially important at night. Your wallet/purse/keys are normally just inside and an easy grab - prevention is essential! Report any suspicious vehicles. And as

always, keep garage doors closed. These are just a few suggestions to prevent our neighborhood from being a target for petty crime.

Welcome our new Board Members: Ruth Graves, Chalene Braun and Derek Paquin!
