Updates & Agendas

Illuminate! It's a safety concern!

Please make sure your **lampposts** in your yard are **operable**. Replace lightbulbs, photo cell light sensors and glass if required.

This is a mandatory bit in our covenants, and a few streets are rather dark - so please take care of this ASAP! If you need professional help, contact **Kinder Electric** 317-842-0809 or **Glassworks by Design** 317-858-7246, or **Westfield Lighting** 317-896-3033. They can take care of your lighting needs - if you require other professional help - take care of that privately.

With the promise of spring, boating season will be approaching. Please remember to **limit** the boats and trailers in driveways to **48 hours**. And golf carts, trash cans put away when not in use.

ROAD REPAIRS

This winter has blessed us greatly - with lots of snow and subsequent potholes. The HOA is working with the Town of Fishers to ensure a quality repair job will be done. Patience, please...we got this!

Geist Lake Coalition master plan information is on our website. Please refer to this information and contact them with any questions!
