Parking in Streets

With winter still upon us, it is critical during the snowy days to please keep the streets cleared. There have been several accidents in the neighborhood, especially on the hills, with cars parked in the street.

Please keep the cars in the driveways and out of harm's way. This also goes for boat trailers and any other vehicle that could be out in the street. Also keeping the sidewalks clear for foot traffic/dog walkers is necessary and an ordinance.

Safety Concerns

During the spring time, historically there have been neighborhoods in the area that have experienced break-ins to the garage and to parked cars outside of the garages. A few safety tips:

Keep your garage doors closed. Keep cars parked outside locked, leaving no valuables in sight. Replace spent lightbulbs in your lampposts.

If you see suspicious activity - please report.

Speeding

Excessive speeds continue to be a problem on Springstone Rd. Please slow down - pass on this message to your teenagers, too!! Violators will be ticketed.

Mailboxes

If you need a new mailbox (car accident, snow plow incident, etc) please contact AAA, 317-225-2500.
