Oh, the Noise!

There is a new noise ordinance for the lake - which means we can contact neighborhood patrol and/or DNR to enforce (Town of Fishers PD as well). If you hear music being played in the cove or on the lake in the Hamilton Co. side that you feel is a bit too loud, call! 842-8082 Neighborhood Patrol

Updates & Agendas

Social Calendar

The Neighborhood **Garage Sale** is Saturday, June 11th, 8a - 1p. Plan accordingly! (note: the original date was June 4th, but was changed due to high school Graduations)

July 4th is quickly approaching! This is the largest event of the year for Cambridge residents! This year's parade will take place on Friday, July 1st. If you are able to assist with this event, let us know! Contact RachelQuade@comcast.net

Trailers

Per covenants, trailers - boat or otherwise - are not supposed to be in your driveway or on the street for more than 72 hours.

Parking in Streets

Please keep the cars in the driveways and out of harm's way. This also goes for boat trailers and any other vehicle that could be out in the street. Also keeping the sidewalks clear for foot traffic/dog walkers is necessary and an ordinance.

Speeding

Excessive speeds continue to be a problem on Springstone Rd. Please slow down - pass on this message to your teenagers, too!! Violators will be ticketed.

***Please do not have mulch dumped in the street. Keep this to the driveways, please!**

Safety Concerns

During the spring time, historically there have been neighborhoods in the area that have experienced break-ins to the garage and to parked cars outside of the garages. A few safety tips:

Keep your garage doors closed. Keep cars parked outside locked, leaving no valuables in sight. Replace spent lightbulbs in your lamp posts.

If you see suspicious activity - please report.

Mailboxes and Lamp Posts:

If you need a new mailbox (car incident, bizarre gardening accident, etc) please contact AAA, 317-225-2500. A few of our lamp posts are in need of replacement, we recommend using: Tom Bloom, 317-847-7130.
