## Updates & Agendas

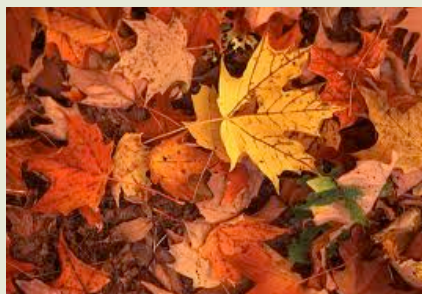

### Social Calendar

Not long after the Cambridge 1st annual **Octoberfest** party, before we know, it will be time for **Santa's sleigh ride!** This fun event will be coming up in December! And Santa's elf needs some serious help this year! If you are able to assist, please contact Kara Reibel, [kara@geistPilates.com](mailto:kara@geistPilates.com) for more info!

### Updates

Marina Ltd. Partnership has removed the 7-story condo portion from their development proposal for the IMI property. The new plan is more agreeable for our neighborhood and any further information or details regarding this proposal may be sought at the Town of Fishers Department of Development and Planning.

### Leaf fact:

Did you know that pouring beer (the cheap stuff) on a pile of leaves speeds up decomposition?

A new residential **Directory** for our neighborhood is being organized. Look for this information in the mailing coming out soon from Kirkpatrick.

**Dues** for 2011 will be billed in one installment instead of two. Please keep this in mind for budgeting!

**Trailers may be towed!** An ordinance with the Town of Fishers limits a trailer, boat or otherwise to be in a driveway for up to one week ONLY. It will be subject to removal if left out beyond that time limit. Not unlike fish and house guests that begin to stink after a couple of days...
