Updates & Agendas

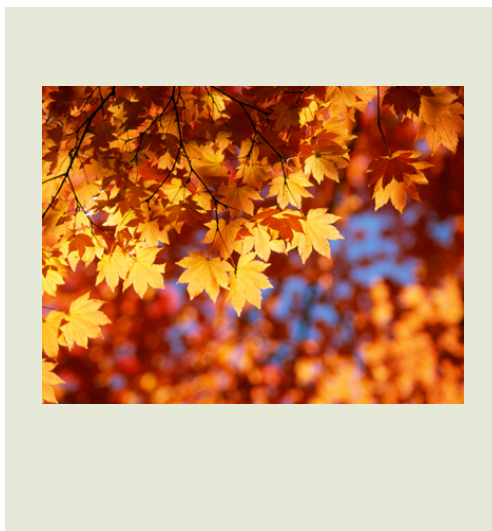

www.SpringsofCambridge.com

Mark Your Calendars!

Santa's sleigh ride will be December 2nd! There is a small fee for this activity to cover the cost of reindeer food.

More than Hype - EAB!

Like an epidemic since its accidental introduction into the United States and Canada in the 1990s, and its subsequent detection in 2002, the Emerald Ash Borer has spread to 11 states and adjacent parts of Canada. Far, more than **50 MILLION** unprotected Ash trees have died from this exotic pest, which threatens to kill most of the 7.5 billion Ash trees throughout North America! If you have not had your ash

trees treated for EAB make sure you do so next spring. Otherwise your unprotected ash tree will die. There are a number of companies out there who can assist you with preventive or curative services. If you would like a referral feel free to contact a member of the Cambridge HOA board.

HOA Property Mgmt
